Photography/Video Consent Form

South Coast CKD may take photographs during class for use as publicity/marketing material on it's website or public Facebook page.

To help a student with their training, a Chief Instructor may also use a training tool called 'Coaches Eye'. This is an app available on most mobile devices that involves videoing and analysing a student's technique. This would only be videoed in class and would be deleted immediately at the end of class in front of the student/parent/carer, once feedback has been given to the student. Please state your consent to the use of photography/video.

For students under the age of 18, parent/carer to complete:
